Mail Stop Issue Fee
Commissioner for Patents
PO Box 1450
Alexandria, VA 22313-1450

In the Notice of Allowance issued on April 28, 2011, the examiner required corrected drawings on the grounds that the drawings were poor quality and illegible. Enclosed herewith are replacement drawings for FIGS. 1-5 (4 pgs) of the application correcting those noted deficiencies. The replacement drawings are simply formal versions of the original drawings, with no substantive changes, thus Applicant believes that no new matter has been added to the application.
